JOB ANNOUNCEMENT

The Charles B. Wang Community Health Center, Inc. established in 1971 is a non-profit, community based ambulatory care facility that provides comprehensive primary care, social services, and health education. The Center emphasizes health promotion and disease prevention with health education and advocacy for increased access to health care services. The Center is currently recruiting the following position:

JOB TITLE: OBSTETRICIAN/GYNECOLOGIST

RESPONSIBILITIES:

- Provides comprehensive prenatal and gynecologic care to patients
- Responsible for providing consultations requested by the primary care provider
- Works closely with the primary care provider to ensure that the patient is getting the best in comprehensive medical care
- Provides quality medical care to patients
- Assists in expanding and enhancing the Women's Health Services by participating in outreach and community screenings
- Participates in Case Management and patient surveys in maintaining quality assurance
- Other duties as assigned

QUALIFICATIONS:

- Graduated from an accredited medical school and licensed to practice in New York State.
- Board eligible or board certified preferred.
- 1-2 years experience preferred.
- Bilingual in English/Chinese preferred.

SALARY: Commensurate with experience

Interested applicants should fax or mail their CV to
