RESPONSIBILITIES:

- Provide individualized education session to teens seeking guidance at TRC on health topics including smoking cessation, STD prevention, family planning /contraceptive methods, exercise/nutrition, and stress management
- Develop teen appropriate health education materials with guidance from the Health Educator
- Conduct outreach to high schools and community groups to promote the Health Center's Adolescent Program and Services
- Facilitate health education workshops
- Assist in the planning and coordination of on and offsite events
- Assist in the design and development of teen programs
- Promote Pediatric services
- Other duties as assigned

REQUIRED SKILLS:

- Desire to work with youths/adolescents
- Strong interpersonal skills and ability to work as part of a team
- Strong public speaking skills
- Minimum 1 year commitment
- Must be able to commit at least 10-15 hours weekly
- High school Junior or Senior

PREFERRED SKILLS:

- Bilingual in English/Chinese
- Experience with peer education
- Interest in health or education fields

SALARY: Commensurate with experience.
