## About Yvonne Chak, M.D.

Dr. Chak is a board-certified doctor specializing in obstetrics and gynecology. She has more than 10 years' experience.

Dr. Chak provides obstetrics and gynecological care, including annual gynecological exams, family planning, prenatal and postnatal care, STD testing and treatment, cancer screening, and diagnosis and management of gynecological issues.

She believes in a shared decision-making process to help guide patients in making the best health care decisions for themselves with the most current evidence-based practices available.

Dr. Chak spent more than a year as a volunteer assisting in the clinical education of medical students and OB/GYN registrars in Malawi with SEED Global Health/Peace Corps. In her spare time, she enjoys spending time with her family and traveling.
