About Charley Cheng, D.M.D.

Dr. Cheng is a board-eligible, general practice dentist.

He performs a wide range of dental services, including general examinations, teeth cleaning, dental x-rays, dental fillings and crowns, tooth extraction, root canals, basic periodontal treatment, denture and bridge care, referrals and care coordination with specialists, and health education to promote oral health.

Dr. Cheng practices a patient-centered approach to provide solutions to patients' needs. To support his practice of treating underserved populations in Flushing, Queens, he continually looks to utilize new technology to improve treatment outcomes and is certified in a wide range of diagnostic imaging technologies.

When not working, Dr. Cheng enjoys reading and traveling.
