About David Huang, D.D.S.

Dr. Huang is a board-eligible, general practice dentist.

He performs a wide range of dental services, including general examinations, teeth cleaning, dental x-rays, dental fillings and crowns, tooth extraction, root canals, basic periodontal treatment, denture and bridge care, referrals and care coordination with specialists, and health education to promote oral health. He also employs a supportive and compassionate approach to provide optimal oral healthcare.

Dr. Huang is dedicated to a career of community service and strives to make his community a better place, one smile at a time. He has worked with a number of nonprofit organizations in lower Manhattan where he provided oral care and community education to Asian seniors.

When not working, Dr. Huang enjoys outdoor exploration, computer building, weightlifting, and spending quality time with his cat.
