About Beiyu Liu, M.D.

Dr. Liu is a board-eligible doctor specializing in obstetrics and gynecology with more than 10 years' experience.

She provides obstetrics and gynecological care, including annual gynecological exams, family planning, prenatal and postnatal care, STD testing and treatment, cancer screening, and diagnosis and management of gynecological issues.

Dr. Liu is also an attending physician at Flushing Hospital where she delivers newborns. A widely-published researcher, she believes a strong patient-physician relationship based on trust and mutual respect is of utmost importance. She strives to have open communication with her patients to address all their questions and concerns.

In her free time, Dr. Liu enjoys being in nature, swimming, hiking, cycling, skiing, and more.
