## About Danielle Sim, D.M.D.

Dr. Sim is a board-eligible, general practice dentist with nearly 20 years' experience in the United States and Korea, including 12 years in the U.S. Army Dental Corps.

She performs a wide range of dental services for children and adults, including general examinations, teeth cleaning, dental x-rays, dental fillings and crowns, tooth extraction, root canals, basic periodontal treatment, denture and bridge care, referrals and care coordination with specialists, and health education to promote oral health.

Dr. Sim provides patients with the highest quality dental care possible. Fluent in English and Korean, she approaches her work in a patient-centered and non-judgmental manner.

While not working, Dr. Sim enjoys spending time with her family, listening to music, and dancing.
