## About Bennett Cheekun Chan, M.D.

Dr. Chan is a board-certified pediatrician who provides primary care to patients up to 21 years of age.

He provides regular checkups and immunizations. Dr. Chan also provides health education, referrals, and care coordination with specialists.

Dr. Chan works with parents through a patient-centered approach to ensure that their child can attain optimal health.

In addition to his role at the Health Center, Dr. Chan attends newborns at the nursery at New York Presbyterian Queens hospital.

When not working, Dr. Chan enjoys traveling and cooking.
