About Meghan Chan, M.D.

Dr. Chan is a board-eligible psychiatrist with more than 25 years of experience.

She provides diagnostic and treatment assessment for a wide range of mental illness, including anxiety, depression, and adjustment and psychotic disorders. She provides individual therapy for patients of all ages. Dr. Chan works collaboratively with the medical and psychiatric teams to enhance care for her patients.

Dr. Chan establishes a working alliance with patients and helps them to reach their highest level of health.

When she is not working, Dr. Chan enjoys nurturing her curiosity and learning new things. She also enjoys being out in nature.
