## About Sunny Chan, D.D.S.

Dr. Chan is a board-eligible, general practice dentist with nearly 15 years of clinical experience.

He performs a wide range of dental services for children and adults, including general examinations, teeth cleaning, dental x-rays, dental fillings and crowns, tooth extraction, root canals, basic periodontal treatment, denture and bridge care, referrals and care coordination with specialists, and health education to promote oral health.

Dr. Chan provides patients with the highest quality dental care possible, including preventative care. He sees himself as a guide to his patients' dental needs and understands there is more than one way to approach a goal. He educates and explains any dental concerns so his patients can make an informed decision.

While not working, Dr. Chan spends quality time with his family. He enjoys a variety of interests from cooking to building computers to playing recreational basketball.
