## About Carolyn Chang, M.D.

Dr. Chang is a board-certified pediatrician with a special interest in adolescent health. She has been with the Health Center for more than 10 years.

She provides primary care to patients up to 21 years of age, including regular checkups, well-child visits, and immunizations. With a focus on adolescent health, Dr. Chang also provides health education, referrals, and care coordination with specialists.

Dr. Chang is also a clinical instructor at Weill Cornell. She practices evidence-based medicine and is a firm believer in vaccines. She has been on medical missions to China to provide specialty surgeries to orphans and children from families in need.

In her free time, Dr. Chang enjoys traveling and all things Disney.
