## About Kangxia Gu, M.D.

Dr. Gu is a board-certified internal medicine doctor with more than 20 years' experience. She is the Chief of Internal Medicine at the Charles B. Wang Community Health Center in Queens.

She diagnoses and treats a wide variety of conditions in adults, including cardiovascular disease, diabetes, and hypertension. A highly trained provider with significant research experience, Dr. Gu also provides annual exams, immunizations, specialist referrals, and patient education, among other services.

Dr. Gu employs a person-centered approach when treating patients. She is inspired by the patients she sees each day.
