About Yuhan Kim, C.N.M.

Ms. Kim is a certified nurse midwife with more than 10 years' experience.

She provides obstetric and gynecological care, including annual gynecological exams, family planning, prenatal and postnatal care, STD testing and treatment, cancer screening, and diagnosis and management of gynecological issues.

A highly experienced practitioner, Ms. Kim helps women throughout pregnancy and beyond.

She encourages her patients to discuss their concerns candidly and provides them with all the information they need to make educated decisions about their healthcare.
