About Evelyn Kuang, D.N.P., P.M.H.N.P.-B.C.

Dr. Kuang is a board-certified nurse practitioner specializing in psychiatry.

With more than 10 years of professional experience, she diagnoses and treats a wide range of mental health illness. She also provides referrals and care coordination with mental health specialty clinics and hospitals.

Through her practice, Dr. Kuang provides patient-centered, intersectional, trauma-informed, mental healthcare through psychodynamic psychotherapy and medication management as part of a collaborative interdisciplinary team.

When not working, Dr. Kuang enjoys writing, listening to music, boxing, hiking, video games, cooking, and hanging out with her tabby cat.
