## About Jack Lam, D.M.D.

Dr. Lam is a board-eligible doctor of dental medicine with nearly 10 years' clinical experience.

He performs a wide range of dental services in children and adults, including general examinations, teeth cleaning, dental x-rays, dental fillings and crowns, tooth extraction, root canals, basic periodontal treatment, denture and bridge care, referrals and care coordination with specialists, and health education to promote oral health.

Dr. Lam's goal is to provide comprehensive oral health education to patients so they can make informed decisions about their dental care. His practice focuses on a patient-centered approach that demonstrates respect and courtesy to promote trust and good public health through proper dental care.
