About Lisa Ma, D.N.P.

Dr. Ma is a board-certified doctor nurse practitioner specializing in family medicine. She has more than 20 years' experience.

Dr. Ma diagnoses and treats a wide variety of conditions in adult patients. She also provides annual exams, immunizations, specialist referrals, and patient education, among other services.

Dr. Ma strives to build strong relationships with her patients and actively advocates for them as necessary. In addition to her holistic approach, she utilizes evidence-based guidelines along with her clinical experience and personal observation to provide the highest standard of care.

When not working, Dr. Ma enjoys traveling, cooking, gardening, and spending time with her family.
