About Ady Oster, M.D., M.B.A.

Dr. Oster is a board-certified internist and the Chief of Population Health at the Charles B. Wang Community Health Center. He has more than 25 years' experience.

Dr. Oster is an experienced adult primary care physician, who is comfortable diagnosing and treating a variety of conditions, including cardiovascular disease, diabetes, and hypertension. He also provides preventive care, immunizations, specialist referrals, and health education, among other services.

Dr. Oster has published in several medical journals and received grants from the Fan Fox and Leslie R. Samuels Foundation, the Association of Asian Pacific Community Health Organizations, and American Cancer Society for research in primary care topics. He is interested in medical issues facing immigrants.
