## About Jenny L. Shih, M.D.

Dr. Jenny Shih is a board-certified pediatrician with more than 10 years' experience.

She provides primary care to patients up to 21 years of age, including regular checkups, diagnosis and treatment of childhood illnesses, and immunizations. Dr. Shih also provides health education, referrals, and care coordination with specialists.

Dr. Shih's practice is based on a patient-centered approach that involves the family while providing all necessary information to allow them to make appropriate decisions in terms of their child's well-being.

Originally from California, Dr. Shih loves fashion and designing clothing. When not working, she enjoys family time with her young daughter and husband.
