About Mei Wong, D.O.

Dr. Wong is a board-certified pediatrician with a specialty in immunology. She has more than 35 years' experience.

Dr. Wong provides care to patients up to 21 years of age, including regular checkups, well-child visits, and immunizations. She also provides health education, referrals, and care coordination with specialists.

Dr. Wong is passionate about working with children and forming bonds with them and their parents with the goal of providing the best care possible. Her extensive knowledge and exceptional clinical experience in pediatrics ensure that they receive the best quality care.

Dr. Wong strongly believes in the effectiveness of vaccines to prevent serious illnesses and to keep children healthy.
