## About Lydia Wu, M.D.

Dr. Wu is a board-certified doctor specializing in family medicine.

She diagnoses and treats a wide variety of conditions in adult patients. She also provides annual exams, immunizations, specialist referrals, and patient education, among other services.

She approaches her medical practice as a team effort between herself and the patient. Dr. Wu's patient-centered philosophy involves giving each patient individualized personal attention and working with them to determine which treatment is most suitable.

When not working, Dr. Wu enjoys cooking and spending time with her family.
